

Introduction to Rainwater Harvesting

April 28 | 1:00 - 2:30pm

**Dripping Springs Presbyterian
26650 Ranch Rd 12
Dripping Springs, Texas**

Join us for an informative presentation on rainwater harvesting. Hear from local experts about the basics and benefits, and learn how to start your own system.

You'll also have a chance to connect with local rainwater harvesting retailers and groundwater conservation districts before and after the presentation.
